This guarantee is applicable to only the original purchaser for 24hours after leaving us as we have no control over what nee owners expose them to after leaving us.
3. Your puppy should be examined by a licensed veterinarian within 72 hours (three days) after being delivered to or picked up by you (breeder not responsible for vet bills). If this puppy is found to have serious life-threatening illness or disease (excluding common parasites or coccidia, umbilical hernia, uti, etc.) the breeder will replace the puppy with one of equal value when available. 'Anolani Poodles requires that the puppy be returned with documented proof of said illness or disease from a licensed veterinarian within seven (7) days of purchase (breeder not responsible for transportation costs.) 'Anolani Poodles reserves the right to have the puppy examined by a licensed veterinarian of its choice to

5. These puppies do not come trained; however, they will be socialized with other dogs, people and situations and will be accustomed to handling and grooming. We put every effort into starting your puppy off on a solid foundation physically, mentally and emotionally. You MUST spend time with your new poodle to help form him/her into the dog you want it to be.

6. 'Anolani Poodles uses a vaccination protocol recommended by our veterinarian. The 5 Way Shot (distemper & parvovirus) will be given at 7 weeks and should be given again at 12 and 16 weeks and again at one (1) year old; and then follow up shots every (3) three years thereafter. Rabies vaccine should be given according to your state's laws BUT we recommend they NEVER be given on same day as other vaccines, it is best to have four (4) weeks difference between vaccines. Your puppy will have had its 7-week shot at minimum.

7. 'Anolani Poodle puppies are raised on Victor Hi- Pro Plus Dog Foods. The following foods are the other options we approve: Fromm, Orijen, Acana, Purina Pro Plan. One of these brands must be fed within the first 3 years of life in order to keep any health warranty intact. No food containing PEAS, LENTILS or CHIC PEAS should be fed at any time. These are common ingredients in Grain Free dog food so be careful what you buy if you switch from Fromm Puppy Chicken & Rice or Pro Plan.
